

Email 2 – Application for Summer Internship

Subject: Application for Summer Internship Opportunity – CSE Core

Dear Hiring Coordinator,

I hope this message finds you well.

My name is Pratyush Kumar Rout, and I am currently a first year student pursuing BTech CSE Core at VIT Bhopal. I am writing to express my interest in any available summer internship opportunities at HCL, particularly in the area of Artificial Intelligence and Machine Learning.

I am eager to apply my academic knowledge in a practical setting and further develop my skills in Python, Data Structures and Algorithms, Machine Learning, and Deep Learning. I am particularly drawn to HCL because of its work in emerging technologies like AI, cloud computing, and digital transformation.

I would be grateful for the opportunity to contribute to your team while gaining valuable industry experience. Please find my resume attached for your review. I would appreciate any information regarding the application process or available roles.

Thank you for your time and consideration. I look forward to your response.

Warm regards,
Pratyush Kumar Rout
